

Victims of the Storm tune: Riders on the Storm by The Doors. Words LSS

Victims of the storm (People without homes)
Victims of the storm (People without homes)
On to the street they're thrown (Homeless and alone)
With no location known (Homeless and alone)
There is no place to go
For people on their own
Folk without a home (Homeless and alone)

Cutting to the Bone (for people without a homes)
(They're) Cutting to the Bone (for people without a homes)
You've got to give them hope (folk with no abode)
Those families that can't cope (folk with no abode)
Council make the match
with empty unused flats
Find these people homes (Folk without a home)

You've got to fight the man (make the bankers pay)
You've got to fight the man (make the bankers pay)
Don't let them drive you down (you need to stand your ground)
Make them understand (you need to stand your ground)
The world on you depends
(or) this life will never end
You've got to fight the man (make the bankers pay)

Killer on the road (Killer on the road)
Killer on the road (Killer on the road)
People on their own
Facing life alone
Broken and destroyed
Out in the wet and cold
All the days the same
Life is not a game x3
